You can meet your favourite authors, ask them your burning questions and get your most-loved book signed. Take a step into virtual reality for a look back on history. Hop on the train and connect with Harry Potter or relax and watch a film during one of our many film screenings.

As libraries across Ireland embrace their evolving role as digital learning centres, the Donegal Library service is proud to offer festival goers opportunities to connect with the latest advanced

technology during the week-long event. Make sure to come visit us to see our 3D printers or our wonderful magic tables.

We would like to acknowledge funding from the Department of Rural and Community Development through the Dormant Account Funds which has helped us develop our Autistic Spectrum Disorder (ASD) programme, and a big Thank You to our festival partners who hold events in their own venues, allowing us to expand our programme even further.

Let's not forget, Wainfest also offers the perfect opportunity to join the library and take home a book you've fallen in love with. Don't worry if you are late returning them as we don't charge fines anymore!

Donegal Youth Chamber Orchestra

F Family Event

Join the Donegal Junior Strings Orchestra for a special concert to celebrate their ten years of music-making. Their annual visit to the Glebe Gallery courtyard is always a highlight. They've a wonderful programme lined up for this anniversary concert - classical favourites, contemporary pieces and music from Disney movies. They'll have some guests along, including friends and past members, all under the direction of the Grammy-nominated Victor Yélamó. Donegal Junior Strings are one of the performing groups of the Donegal Music Education Partnership, which offers classical music classes across Donegal.

No need to book, just come along! This is the opening concert of the 6th Donegal Chamber Music Festival.

The 6th Donegal Chamber Music Festival (12th Oct – 20th Oct 2019) features events in different locations across the county. Details at donegalchambermusic.blogspot.com

Magic, Memory & Mystery with Catherine Doyle - Author

S School Event

Catherine Doyle grew up beside the Atlantic Ocean in the west of Ireland. Her love of reading began with great Irish myths and legends, and fostered in her an ambition to one day write her own. The Storm Keeper's Island was her debut middle-grade novel, inspired by her real-life ancestral home of Arranmore Island and her many sea-faring ancestors, particularly her grandfather, Captain Charles Boyle, who inspired the much-loved character of Malachy Boyle. In this fantastic event, Catherine explores how real life and fiction can be combined with a little touch of magic to create her very special stories The Storm Keeper's Island and the just published sequel The Lost Tide Warriors.
